SOCIETY Merry— Go-Round

By Emogene A. Watkins

JUST ABOUT EVERYBODY WENT to club meetings last week... what glamour... such wonderful food... and such bridge playing! They met everywhere... Tony's Gay Hawk... at homes...

Don't know what it is about pinochle, canasta... even whist that make the ladies give such games the cold shoulder... Personally, not being adept at the game of bridge... I find it satisfying to handle a handful of Kings, Queens, Jacks and Aces that the luxury of Pinochle affords! We can't play whist cheap!... A good whist player is a good card player, period.

It is interesting to note however, that certain games take preference from one section of the country to another. It is clear that in the South, it's bridge.

THOSE OF YOU WHO ENJOY playing cards... bridge, whist, Five-Up, or just any game at all... should find it very pleasant to attend the card party planned by members of the Canasta Demosocial Club on Saturday, March 3, beginning at 8 p. m. It will be held at Le Moyne Gardens auditorium, and many wonderful prizes await the winners. Members cordially invite you to join them and make the evening very gay.

The club roster includes: Mrs. Johnnie Mae Yancey, president; Mrs. Veola Lamondue, vice president; Miss Ann Halliburton, secretary; Mrs. Lucille Smith, financial treasurer; Mrs. Louise Shipp, social treasurer; Mrs. Gladys Bolden, chaplain; Miss Alma J. Shannon, assistant secretary; Mrs. Mary Clements, reporter; Mrs. Lucille Newson, chairman of sick committee, and Miss Carrie Moore.

TAKING A LATE WINTER VACATION is Mrs. Lula James, of 71 N. Claybrook who is visiting her son and his family, Mr. and Mrs. William Latham, of Detroit. Before returning home, she will visit her sister, Mrs. Lillie Hodges in Chicago.

ENTERTAINING MEMBERS of the Little Club last week was club member Sally Thomas at her home at 3372 Rochester rd. She greeted guests wearing pretty pin striped tuxedo pants in rainbow colors, with a gold blouse and took pictures of the jolly group. Her prizes were a lovely charm bracelet, a sparkling jeweled collar, and beautiful handkerchiefs. Winning these prizes at Progressive Whist were: Carlee Bodye, Lorene McCollins, and Cleotia Shackelford in that order... Jean Farrell Haywood won the guest prize. Also attending as guest was Mythean Powell. The hostess served a Shrimp dinner, with cocktails. Small valentines placed at each plate caused many amusing moments.

New officers of the club are: president, Mrs. Margaret Thompson; vice president, Mrs. Lorene McCollins; secretary, Mrs. Carlee Bodye; treasurer, Mrs. Minnie Anderson; reporter, Sally Thomas; custodian, Mrs. Cleotia Shackelford.

During their business session, members voted to give \$30 to the NAACP Defense Fund.

IT WAS A Lively MEETING when hostesses Ann Nicholson and Elsie Thomas entertained members of the Ole Acquaintance bridge club recently at the Whip Restaurant. Beautiful birthday gifts were presented to club member Geraldine Hunt... who doubled her pleasure by taking first club prize. E. C. Young won second club prize. Guests on this occasion were Louise O'Reilly who won first guest prize... Donzelay Patterson, and Mary Fields. A tasty shrimp dinner was served by the hostesses.

MEMPHIS LINKS inc., met on Friday, Feb. 24, enjoying an interesting meeting in the intimate atmosphere of Tony's Inn. Hostess was Link Helen Sawyer who greeted her guests in her usual sweet manner. Jewel Speight, now residing in St. Louis with her physician husband was in town and happily took part. Conducting the meeting was Link president, Addie Jones who presented a well-planned program. A DELIGHTFUL SURPRISE BIRTHDAY party honored two on Sunday, Feb. 19 when Mrs. James E. Purdy entertained in honor of her husband James Purdy. Circulation agent with the Tri State Defender, and a friend, Mrs. Amy

Ragan who observed her 76th birthday. Guests brought many nice gifts and the hostess served delicious refreshments.

Gordon, Mr. and Mrs. Johnny Griffin, Mr. and Mrs. Ollie B. Davis, Mrs. Rhodie Shikens, Miss Gloria Jean Shikens, Miss Hattie Rainey, Mrs. Doc Gardner, Miss Juanita Gardner, and Roland Gardner.

YOU SHOULD HAVE SEEN the unique setting in which gracious hostess Ethel Tarpley entertained her two clubs on Friday, Feb. 17 at the Gay Hawk Restaurant! 25 fashionably dressed ladies sat around long table — banquet style — which was attractive with floral arrangements and combined their charm and comradery to make the social side of the occasion very gay indeed.

The two groups were members of the Afo Ofa and Sutz Us Bridge clubs. A well selected group of prizes won for the hostess compliments from the ladies as they vied eagerly during the bridge session to win them. Club prizes for each group were identical and included two sets of tall Tilsener glasses, 1st prize: a salad bowl on bronze stand with spoon, and a fruit bowl of black onyx, second prize: two sets of unusual beverage glasses, third prize.

Cocktails and a menu of fillet mignon, creamed potatoes, salad, hot rolls, tea and coffee topped off with apple pie a la mode, were served the pleasant gathering.

A GALA FAREWELL BRIDGE party honored Mrs. Mildred Thurman who is leaving shortly to live in Los Angeles, Calif. The affair was given by Mrs. T. J. Johnson at her lovely residence on 1022 25th. Mrs. Johnson presented Mrs. Thurman with a token of remembrance. A tempting menu of fillet mignon, buttered potatoes, string beans, poppy seed rolls, tossed green salad, coffee and assorted cookies were served by the hostess's daughter and son-in-law, Mr. and Mrs. Fleming Polk. Guests included Mesdames Grace Parker, Mildred Bailey of New York, Miss Georgia Rose Sylvers, each of whom won the bridge prizes in the order named: Mesdames Georgia Quinn, Charles Brown, son.

SEMPER FIDELIS BRIDGE club members enjoyed the happy meeting that was hosted by Miss Ardena Herndon at her residence, of 1338 Kentucky st., on Saturday, Feb. 25. Mesdames Larcenia Cain and Aretta J. Polk were guests of the evening. Roast beef, scalloped asparagus, vegetable salad, hot rolls, and coffee paved the way for serious bridge playing. But the three who played most seriously were Miss Marydella Reeves, 1st prize, Mrs. Annie Simpson, second prize and Mrs. Adelaide Settles, third prize.

MRS. LEODA GAMMON was the affable hostess when members of DeVoue Bridge club met at Tony's Place last week. Rare pleasure was derived from this meeting as everyone took home a prize. However, top three prize holders were Alma Booth, Leola Gilliam and Estelle Dumas.

A George Washington theme was carried out with cherry centerpieces, mints in patriotic colors... and the dessert was cherry pie a la mode.

CLUB MEMBER ETHEL JOHN SON entertained in a delightful manner when she was hostess last week to the Sophisticates. Women Protest Africa Bias

CAPETOWN, South Africa — (ANP) — Angry white women demonstrators, shouting cries of "police state," were ordered out of the gallery last Tuesday as Prime Minister Johannes Strijdom's Nationalist government won a test vote on bill containing the heart of the government's racial segregation policy.

At a joint session of both houses of parliament, Strijdom's supporters voted 170-65 for measures which would remove persons of mixed blood from the common electoral rolls and block the Supreme Court from rejecting the move.

Members of South African Women's Defense of the Constitution league came into the public gallery wearing black sashes. They were told to remove them, which they did, replacing them with artificial black roses.

A handful of Labor Party members also walked out of the crowded chamber. Alexander Hepple, their leader, branded the joint session as a packed parliament and a fraud.

At the end of the first day of debate on the bills, Strijdom said his government has repeatedly received a mandate from the people to set up separate electoral rolls for whites and persons of mixed blood.

The bill would end a constitutional right for the 45,000 mixed blood voters to vote as white people, a right they have held since the days of the original British colony here.

LORRAINE E. GOSSIN, former Memphis teacher and outstanding lyric soprano, has been awarded her master's degree from New York university's graduate school of public administration. She plans to enroll for her doctorate and may return to the classroom on completion of her course. Miss Gossin is currently revising the manuscript of a book she expects to publish.

Warmoth Gibbs' New A & T Prexy

GREENSBORO, N. C. — Warmoth T. Gibbs, dean of the School of Education and Science at A & T college since 1929, was elected president of the college at a special meeting of the trustee board held here last week.

He succeeds the late Dr. F. D. Bluford, president of the college since 1925, who died Dec. 21. Immediately following the death of D. Bluford, Gibbs was appointed acting head, and the emergency appointment was confirmed at a meeting of the full board held Jan. 5.

Charles A. Hines, chairman of

the board, said the new president received a unanimous vote of the 15-member board. "I am confident that the college will continue its fine progress under the helm of Dean Gibbs, who has contributed much to it over a long period of years," said Hines.

The board also took action in electing Gerald M. Martena dean of the School Engineering, to the newly created post of Dean of Faculties. A member of the board stated that the move was taken to relieve some of the administrative detail from the office of the president.

New Basic Wage To Aid Southerners

Negro workers, especially in the South, will benefit greatly with the new \$1-an-hour minimum wage into effect on March 1, according to information from an official of the Department of Labor.

The official pointed out that while only 4 per cent of the employees protected by the Wage and Hour Law in the Middle West are paid less than \$1 an hour, many southern workers receive less.

The new minimum wage increases will mean greater income for numbers of workers in the apparel industries, in some of the collar occupations, a large percentage of industrial homeworkers, and, to a limited extent, in the timber industry.

The new law, passed by Congress last summer, applies not to those industries engaged in interstate commerce or production of goods for interstate commerce and related industries.

Exempt from the law are workers in local retail stores and hotels, farm workers and some agricultural products processing workers.

Wichita NAACP Fights Bias Practice Of Cops

WICHITA, Kan. — An age-old practice here of local police stopping and questioning all light-skinned persons seen in the company of darker persons, is on the way out.

For years, this practice which really encouraged racial discrimination, has been accepted by Negroes as a pretext of preventing trouble.

However, after three young women in a party of five were stopped on the street, Jan. 30, and questioned about their dark companions, the local NAACP immediately planned to end this idiotic practice.

On Feb. 14, Rev. C. Albert Henson and Chester I. Lewis, Jr., presented a protest to the city commission asking that body to adopt a resolution that no man or woman be stopped, detained or interrogated by police solely because of race or color.

The commissioner A. E. Howse assured the delegation of fair play in enforcement of the law and asked that a delegation of 15 Negro leaders meet with the commission and view the racial problems.

Lauds Adoption Of Minority Kiddies

Families adopting homeless minority group children not only bring happiness to children but to themselves, but serve the whole community, Rev. Hamilton T. Be well, minister, Jones Methodist church in San Francisco, said last week.

Speaking on Miss Jackie Ford, regular Tuesday MARCH! interview, Rev. Boswell told KSAN listeners why he and other Bay Area ministers are supporting MARCH! adoptive home recruitment for minority group children.

When a child cannot be with his natural parents because of death, illness, family break-ups, or other causes, he said, adoption through a licensed adoption agency is the most sensible plan.

The bicycle was introduced in the U. S. from Europe in the early 1800's.

TSU 'Green' Team Wins Southwestern Title

By GEORGE McELROY

HOUSTON — For the second time in as many years, Coach Edward H. (Easy Ed) Adams' Texas Southern university cagers have annexed the Southwestern Athletic conference pennant to their already-bulging array of prizes.

The Houston Bengals grabbed the crown when they outscored Coach C. Felton (Zip) Gayles' Langston Lions in that Sooner setting, 115-103, Saturday night, Feb. 18.

The Adamsmen had to wage a "come-from-behind" battle to take their 12th win as against two set-backs in the heated league play. Langston held a 57-46 advantage at the halfway mark.

SWAIN LEADS ATTACK
Bennie Swain, one of the nation's top pivotmen, was the big noise in the Texans' onslaught, hitting for 32 points. Teammate Wilbert (Home Boy) Mosby, frosh shooting sensation, was credited with 25.

The previous evening, however, Mosby tipped in 31 points in the Texans win over the host in the initial tilt of the two-game series. A look back, reveals that the Bengals are the same ones who—

according to so-called "cage experts" — were "too green" to make a creditable showing for Coach Adams this season. But that was prior to Nov. 1, 1955. Today, these "experts" admit that they were wrong, to say the least.

Gavilan Referee Banned; Winner Wants Rematch

FEARFUL CONGRATULATIONS. Wiping tears from his eyes Bob Gunkler (right) Berea college, congratulates Le-

Roy Jones (center) after the Tennessee State swimmer had turned in a fast 23.6 as he won the 50-yard freestyle in the pool at Berea college. Jones also

won the 100-yard freestyle in 54.6 as Tennessee swamped Berea, 61-23. Carl Graham (back to camera) watches.

Board Rules Ring Verdict Must Stand

LONDON — (INS) — The British Boxing board "regretfully" withdrew the referee's license of Ben Green Wednesday but said his controversial decision in the recent Kid Gavilan-Peter Waterman fight must stand.

STARTED NEAR RIOT
The 71-year-old Green touched off a near riot Feb. 7 at London's Harringway arena when he declared Waterman the winner over former world welterweight champion Gavilan in a 10-round bout. The referee is the only official in English boxing matches.

The Boxing Board ordered a full inquiry after such an uproar by the 10,000 fans, boxing promoters and newspapermen, and announced Wednesday that "the referee's decision must be regarded as final."

REVOKES LICENSE
The Board did feel, however, that on this occasion Green's judgment was at fault. It decided that in view of his age "it was undesirable for him to hold a referee's license and regretfully withdrew it."

The stewards also ruled the referees be automatically retired on reaching the age 65.

Loop Policy Stops Play With Others

INSTITUTE, W. Va. — Dr. William J. L. Wallace, president of West Virginia State college, in a letter advised the intention of this college to withdraw from the Central Intercollegiate Athletic association at that body's next annual meeting which is scheduled for March 22-24 in Washington, D. C.

President Wallace's letter was sent to Thomas H. Henderson, president, and G. G. Singleton, secretary - treasurer of the CIAA. West Virginia State college has been a member of the association since 1941.

RELUCTANT TO LEAVE
During the current year State college has been participating in basketball with member schools of the CIAA and West Virginia Intercollegiate conference.

Reasons given by Dr. Wallace for withdrawal from the CIAA were stated in the following excerpts from the letter, together with a request for continuation of athletic relationships with the member schools in the CIAA:

"Because of the new directions indicated for the future of West Virginia State college I am now writing to you regretfully and reluctantly to tell you that West Virginia State college must withdraw from the Central Intercollegiate association as of the next annual meeting which is scheduled for the month of March, 1956."

"We have made effort to maintain our obligation in the Central Intercollegiate Athletic association but we find that we are now faced with our inability to do so longer. Please be assured that we do not wish to take this step. I am certain that our director of athletics, the chairman of our athletic committee and our head coach all signed the recommendation coming to me with considerable sadness."

REQUIREMENTS TOO MUCH
"Although we now must sever our official relations with the Central Intercollegiate Athletic association, we hope that we will be able to maintain individual contacts with member institutions of the Association through participation in intercollegiate athletic contests. From our point of view we will be able to maintain relationships with individual institutions although we cannot live up to the requirements for membership in the CIAA."

Coach Mark Cardwell, West Virginia State college, in commenting on his school's withdrawal from CIAA, stated that it was impossible to make satisfactory schedule with the two organizations.

CIAA requirements are 12 basketball games and six football games, while the West Virginia conference requires 10 basketball and four football games for consideration for Conference championships.

Aside from this, Cardwell added, State college has additional commitments to non-conference opponents such as Central State, Wilberforce, Rio Grande and others.

NO OTHER CHOICE
In order to have teams that may effectively compete for conference honors under present conditions, he stated, there was no other choice for him to make but to advocate withdrawal from C. I. A. A.

During the 11 years Cardwell has been head coach of the Yellow Jackets, his charges have won two CIAA football championships, 1949-50. His basketball teams were CIAA visitation champs in 1948-50-51 and conference tournament winners in 1948-49-50.

Saxton Says His Style Will Win

Johnny Saxton arrived here recently for his welterweight title fight with Carmen Basilio in the

Chicago Stadium March 14, bubbling with confidence that his style will enable him to defeat Basilio.

After establishing his beachhead at the Midwest Gym for the final round of training, Saxton said: "I've got the style to lick Basilio. I know that Basilio is rough and well seasoned. But he, just like me, has only two hands. I also know that since he's won the crown its going to be mighty rough trying to take it away from him, but I've got the style to upset him."

The Basilio-Saxton bout will be over the 15 round route. It will be televised nationally, but the Chicago area will be blacked out. Each fighter will receive 30 per cent of net receipts.

Southern Coaches Searching For Field General In Spring Grid Practice

By S. W. AUSTIN

BATON ROUGE, La. — Southern university's chances of retaining the Southwestern-conference championship may hinge on the outcome of the spring drills, which are currently being conducted. Several key spots must be ably filled before the Jaguar coaches can breathe easily, and then they must chain their hopes until the fall season comes around.

Prominent among the positions in need of capable players is the quarterback post. The careers of Eldridge Mitchell and Emile Pope, both seniors, ended as of the past season and now Cats supporters look to the crafty coaching staff to produce a reasonable replacement.

Southern will play its usual tough slate beginning with the strong Texas Southern aggregation and ending with another "unbeatable foe," the Prairie View Panthers.

Tennessee State of the powerful Mid-Western conference replaces Bishop college on the Cats' slate.

Southern met Tennessee first in 1945, and was smothered by a 33-0 score on cold, rainy day in Nashville. A year later, the Cats with a great team lost a thrilling 21-20 contest to the Tennesseans, a game which still stands as one of the best ever witnessed locally.

THE SLATE
Sept. 22, Texas Southern university, Houston, Texas; Sept. 29, Alcorn college, Alcorn, Miss.; Oct. 6, Xavier university, Baton Rouge; Oct. 13, Arkansas State college, Pine Bluff, Ark.; Oct. 20, Langston university (Homecoming), Baton Rouge; Oct. 27, Texas college, Tyler, Texas; Nov. 3, Tennessee State university, Nashville, Tenn.; Nov. 10, Wiley college, Baton Rouge; Nov. 17, Florida A & M university, Baton Rouge; Nov. 24, Prairie View college, Prairie View, Texas.

WHY?

quintet, like the others, had nothing to gain had they defeated the Comets. But they dropped so much prestige that it is useless to talk to the Chicago stadium folk about getting them on one of the four-team college doubleheaders playing some school team like Wheaton, Lake Forest, Illinois Southern, Macomb Teachers or the like. The answer over on the west side was that "your team didn't beat a bunch of ex-high school players" and that was true.

NOW THERE are those who say that since nothing was at stake the Tiger quintet didn't show all of its stuff. We come back with if you can't give the best that's in you then don't play at all. There were scouts watching Ben Jackson because at times we have mentioned him to those who will select the College All-American squad to play against the Globetrotters in the annual world series of Basketball.

There were those who insist that basketball and football as played in our Negro colleges is of the grade played in high school in the North. That isn't so but such a game as Tennessee State turned out on its recent trip here doesn't bear out as knowing what it is all about.

IN THE FIRST PLACE, the Comets outlasted State, (2) the coach of the Chicagoans, in order to make a game out of the affair, yanked his first string men and sent in a bunch of substitutes when the Chicagoans had a 15-point lead. (3) Then he sent his ace back into the game when the State quintet began closing the gap. (4) Eight times in a row, Willie Jones, the former Englewood high school player took rebounds and batted the ball back through the net for

Heavy Slate For Southern Diamond 9

BATON ROUGE, La. — Southern university will launch its diamond season March 9, at Alcorn college, Alcorn, Miss., when the Jaguar Cats, champions of the Southwestern conference, meet the Alcorn Braves.

According to the schedule released recently, the Southwestern champs are slated to play nine games at home and 11 tilts on the road. They will end the season against the Xavier Gold Rush in May, on a date yet to be released.

Only once since the reactivation of baseball in the Conference has Southern failed to cop some honors. The Cats have captured one divisional championship, one co-championship and four undisputed titles during the seven-year-period.

THE SCHEDULE
March 9-10, Alcorn, A l c o r n ; March 16-17, Texas Southern, Houston; March 23-24, Wiley, Marshall, Texas; March 29-30, Prairie View, Prairie View; April 6-7, Alcorn, Southern; April 13-14, Texas, Tyler, Texas; April 20-21, Bishop, Southern; April 27-28, Arkansas State, Southern; May 3-4, Langston, Southern; Xavier, New Orleans.

Rockdale Wins Class A Texas High School Title

PRAIRIE VIEW, Texas — Rockdale high school barely dosed out Daingerfield in an exciting 53-51 climax to win the Class A state championship in the Texas Inter-Scholastic League of Colored Schools.

Pineland clinched the Class B state title in a 52-51 thriller in the first of the two division finals held Saturday night at Prairie View A & M college.

C. J. Thomas, state director of the League at Prairie View award-

ed championship trophies to the two winners and runners-up following the final contests.

George Williams led the scoring for Pineland with 18 points in the B class finals, and C. Samuels followed with 20 points. Tencha's guard, B. Harris, was outstanding in handling the ball.

Pineland had previously defeated Stanton in the quarterfinals, 80-48, and Massey Lake, 71-53, in their drive for the title. Tencha dropped Douglassville, 55-37, and

Borger, 51-49, to win their place in the series final.

The Class A final game saw C. Wright lead in scoring with 27 points for Rockdale, and J. O. H. Roberts scoring 13 points for Daingerfield. Rockdale defeated Stanton (Tyler), Fairfield, and Center for their match in final play, while Daingerfield dropped Luling, Kendleton, and Liberty.

Other Class A teams playing in the state meet were West, Linder, Grovelton, Giddings, Plano, La-

mesa and Prairie View. Class B teams also included Colorado City and Schulenburg.

All-state teams in the two divisions were selected as follows: **CLASS A** Wright, F. Rosedale; Mann, F. Center; Canady, C. Fairfield; Patterson, G. Liberty; and Evan, G. Daingerfield.

CLASS B Samuels, F. Tencha; Davis, F. Massey Lake; Brown, B. Borger; Williams, G. Pineland; and Roberts, G. Pineland.

The U. S. Lawn Tennis association has ordered Hugh Stewart of San Marino, Calif., and Tony Vincent of New York temporarily out of action in Europe. It seems the two players failed to notify the International Play committee on their overseas schedule.

Hamilton Gets Past Manassas In Close Tilt

By ALEXANDER DELOACH, JR.
The Hamilton Wildcats basket-
ball team, unlimbering two big
guns, defeated the Manassas Tig-
ers last Thursday night 49-47 in
the Manassas gym.

Both teams fired accurately but
the visitors had more shots and a
slightly better percentage of field
goal successes.

Manassas took a 13 to 12 lead
to the sidelines at the end of the
first period.

But the Hamilton Wildcats
bounced back and K. C. Chandler
and George Bradley paced the at-
tack to give the visitors a 24-19
edge at the half point.

Near the end of the game Ma-
nassas went out from again, 45-
42, but the Wildcats were able to
push through seven quick tallies
to wrap it all up.

K. C. Chandler dropped in 30
points for high honors and Mar-
vin Doggett and Sylvester were
high for the Manassas team with
10 each.

Manassas rubbed Hamilton 64-
42 in a B-team exhibition.

BTW Takes City Loop It All In

By ALEXANDER DELOACH, JR.

Upset-minded Douglass forced
Booker T. Washington into two
overtime periods last week before
the ambitious Red Devils allowed

the still undefeated Warriors to
claim a hard fought victory, 79-73.

The final score does not quite
tell the story of how close Coach
A. D. Miller and his Red Devils
came to knocking Coach B i l l
Fowlkes' Warriors from their un-
beaten perch in the Prep league.
But when the last whistle blew,

Washington was still out front.

Later in the week they completed
the prep season undefeated, their
sixth straight city title.

DOUGLASS AHEAD

The Red Devils took off to a
four point lead as the game open-
ed. William Kincaid and Thomas
McDonald doing the scoring. L. C.
started the point-making for Book-
er T. but the Red Devils were
still putting on the pressure at the
end of the first quarter, trailing
12-11.

Booker T. turned on the heat in
the second frame and the Red Dev-
ils, appeared to be out of it. By
halftime the Warriors were out
front, 37-29.

The Red Devils, spurred by Kin-
caid and James Yates, started
moving again in the third. By the
close of this quarter the Red Dev-
ils were again breathing down
the back of the champs, 53-51.

Both teams went to work in
the fourth and Douglass outscored
Booker T. to bring the game to
a tie-all at the end of regulation
play. It was 63-63.

When the first extra three min-
utes were over, the game was
still tied, 69-69.

Booker T. took it in the final
playoff.

The Booker T. B. squad, also
champs in their division, defeated
the Douglass team, 49-34.

Guidepost

By CARLOTTA STEWART

Musing:
Too many of us look upon automobiles and plumbing as civilization which they are not, save insofar as they give us more time for the things of the spirit and the mind. The vast mechanical advances of our times are not to be underestimated, but once they seem to be all-important, civilization itself begins to wither and standards of ethics and honest behavior to suffer corruption. Honor, decency, a sense of true values, real Christian behavior — these things are not to be manufactured on the assembly line.

Dear Carlotta:

One of my girl friends is two-faced. When she is with me she will be nice, but when she gets out of hearing distance, she tears you apart from head to toe. When she learns you like a certain boy, she will try her best to steal him. She succeeds most of the time. Everyone likes her, but all would like her to change. We are careful not to say anything about another person to her. — Confused.

Dear Confused:

Best you also keep three feet in distance from her. We suggest that you have as little to do with this girl as possible for your own sake and peace of mind. Be friendly, but at a distance. By no means let her know much about you. . . . This type is dangerous.

Dear Carlotta:

I am a girl 13. I like a boy 15. I would like to know whether he likes me or not. How can I find out? A. B.

If he singles you out to talk with you or shows you any unusual attention, he does like you.

The JACKSON

SCENE

Miss Anna Lee

As we enter the month of March, remember your Red Cross. March is National Red Cross month and I'm sure you will want to give your contribution. Also in March the Girl Scouts were founded and scouts all over the nation will celebrate Girl Scout Week.

In February National Boy Scout Week was observed and the five Negro troops in Jackson were not behind. Scouts wore their uniforms daily and took part in programs at various schools acquainting students with the Boy Scout creed.

Then there is a Cub Scout Pack in Jackson which is divided into groups. The pack is composed of the younger boys who will some day be scouts themselves. The Cub Scouts presented a program at Lincoln Elementary school which was arranged by D. E. n Chief, Charles Bigby, a Boy Scout and sophomore at Merry High school. The very efficient scoutmasters are Robert Bowman, James E. Polk, J. Hunt and Homer Bowers.

Patterson, founder of the United Negro College Fund. Mrs. Perry, along with some 125 representatives from college campuses discussed how to organize and utilize alumni resources.

Lane college alumni is doing a good job but the main goal is to do a better one.

Down On The Farm

By Ernest Brazzle

A farm machinery school will be held at the Shelby county Penal Farm March 1-3. The first day of the school will be held for Negro 4-H Club boys, NFA boys and adult farmers throughout the county.

The meeting will begin at 9:30 a. m. March 1, both junior and adult farmers who plan to attend

will receive much valuable information from the capable instructors, on safety and the use of machinery on highways and farms.

Other timely tips will be discussed relatively to servicing the general care and what is new in farm machinery for farm people. This will be a fine time for farmers to ask questions about the operation of the various kinds of machines that many of them have invested several thousands of dollars in.

We hope that all sections of the country will be represented at this school. Information is an important factor in successful farming. The farmer who fortifies him-

self with it, is better prepared to face the changing agricultural situation. Many farmers travel many miles seeking information that will help them to do a better job on their farms, to increase their income and efficiency.

The agricultural Extension Service is delighted in bringing these highly trained individuals to the farmer in Shelby County, to help them solve some of the many problems that confront them relative to farm safety and maintenance of farm machinery.

I hope you will be present Mr. Farmer. This will be a very profitable day for you.

If you are getting worn out with winter and slushy weather, fight back by serving a dessert with the touch of Spring.

Pineapple Rice Cream is just that kind of dessert, besides it makes good use of three U. S. D. A. plentiful.

A dessert for the family that is nourishing and yet will prove exciting to eat, is a good goal for any mother. Everyone expects a special treat at the conclusion of the meal, yet a dessert should offer something more than just leisure. When planning meals, many things must be taken into consideration. First of all, the food requirements of each and every member of the family is of utmost importance. Then food that the family likes and will enjoy must be fitted into the meal pattern. Attractively served food also helps the family to enjoy meals more. Pineapple Rice Cream, looking like a breath of Spring when it is served, is a good dessert for the family, along with being tasty. The

rice used in the recipe is cooked in milk. Pineapple, cherries and marshmallows are added and the result is a dessert that carries its own weight as far as food value is concerned. Milk you see can play an important part in desserts, too. To eat Pineapple Rice Cream is to experience an eating treat. From the children to the oldest member of the family, it will be eaten with satisfaction and enjoyment.

Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both—
Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a

problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded. *Reg. U. S. Pat. Off.

why Ancient Age can say:
"IF YOU CAN FIND A BETTER BOURBON ...BUY IT!"

All we distill is Kentucky straight bourbon.
We know that bourbon of the finest quality requires choice grains. That's all we use. We know it calls for the greatest skill in distilling. The men who guide the making of Ancient Age are the most experienced in the industry. And it takes lots of time. That's why we wait six full years for careful aging to bring the quality ingredients to their peak of maturity.
And to safeguard the uniform quality of Ancient Age, we distill it at one place only... at the Ancient Age distillery in Frankfort, Kentucky... the heart of the bourbon country.
Nothing has been spared to make Ancient Age the greatest bourbon of them all. We invite you to try it tonight. After one taste, you'll understand why we can make the challenge: "If you can find a better bourbon... buy it!"
